

Online fundraising for
school events

RUN | **WALK** | **SPELL** | or any other school fundraising event **-a-thon** | **-a-thon** | **-a-thon**

Customised microsite

A branded customised event landing page with your colours, text and images.

Online fundraising

Each student or class will have an online fundraising page to accept donations, with a thermometer, unique title and link.

Online registration

You can also accept registrations in case you wish to collect data or manage multiple events.

Choose your cause

Fundraise for your own school, or a project or an Australian charity.

Upload school list

We can upload your entire school list to have the Fundraising Pages pre created for the students.

Privacy controls

Children's names and images are not displayed. They can only be found by search.

Merchandise

Sell merchandise for your event - set your product, colour, size, price, etc in your very own merchandise store.

Tickets

Sell tickets for your School Event.

Customised comms

Customise automated email communications to event participants to reflect the many stages of activity and cheer them on.
