

Making Muscle For My Angel

Fundraiser for **The Compassionate Friends VIC**

Whilst on an amazing family holiday on the 15th of February myself and Grace (My Fiance') were counting our lucky stars, for everything we were blessed with especially for the most beautiful girl in the world Valentina Gabriella De Luca. The next morning of the 16th of February we awoke to find she was not breathing and she would never do so again. She was only 3 in perfect health on the trajectory to live the most amazing and fulfilling of lives it was the most unacceptable, unexplainable and tragic of circumstance.

In her memory I have been undertaking a physical challenge in order to compete at the Australian Natural Bodybuilding competition on May 29th 2016. I am doing this to raise funds for The Compassionate Friends Victoria. Here is a bit about what they do:

When a son or daughter dies, no matter what their age or the cause of death, grief lasts for longer than society in general recognizes. The death of your child is an unacceptable tragedy and it can take a long time before you regain any sense of normality in your life. The Compassionate Friends Victoria Inc. is part of a world-wide organization offering friendship and understanding to families following the death of a son or daughter, brother or sister. TCF offers support in the grief and trauma which follows the death of a child at any age and from any cause.

Please give what you can to this great cause to keep Valentina's message of Loving Kindness alive
