

Windeward Bound Trust

To Whom it may concern,

Please be advised that Sembyen Muthu has been selected as a mentor participant in the 2018 Youth Leadership Challenge for Young Tasmanians and Young Refugees, which an initiative of the Windeward Bound Trust supported by Rotary Tasmania and will be taking place this 9 – 18 December.

The Youth Leadership Challenge is now in its seventh year of successfully bringing together young people of diverse backgrounds aboard a traditional tall ship for a 10-day experience of cross-cultural sharing, personal challenge, team-building, and leadership development.

The goal of this voyage is to expose our young Tasmanians to issues of the broader world, while at the same time providing a safe yet challenging space for recently-settled refugee youth to practice English language skills, gain comfort and familiarity with Australian culture, and develop personal connections with positive young Tasmanians from the wider community.

This program has been made possible in part with generous support from Tasmanian High Schools and Colleges, Rotary Tasmania, The Migrant Resource Centre of Southern Tasmania, The Migrant Resource Centre Northern Tasmania, as well as the Tasmanian School of Business and Economics, and Impact Solutions International.

Each mentor is required to fundraise \$2,000 to help support their voyage berth as well as the participation of one refugee participant, whose fundraising requirement has been set significantly lower in recognition of the networking challenges that exist for new arrivals.

We are very grateful for your willingness to support Sembyen in his participation in this fantastic program. We hope that you will like us on facebook.com/windewardbound where you can follow the program!

Kindest Regards,

Captain Sarah Parry
