SMALLEST THINGS
TAKE UP THE MOST
ROOM IN YOUR
HEART"

WINNIE THE POOH

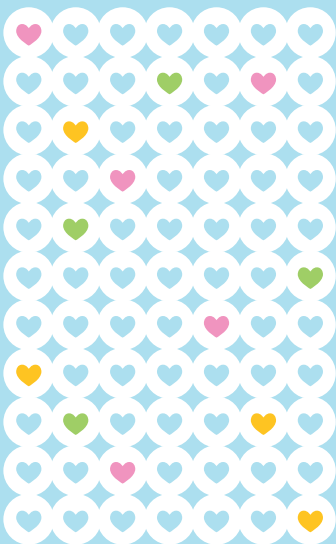

BIG HEARTS FOR LITTLE HANDS

Little Wonder is a Parent Fundraising and Support Committee for Royal Prince Alfred Hospital's (RPA) Newborn Intensive Care Unit (NICU). The aim of the committee is to support the exceptional services provided by RPA Newborn Care to babies and their families. The NICU provides the highest level of neonatal intensive care available in Australia to more than 950 sick and premature babies each year.

Founded in 2009 by a group of mums who had experienced first hand the incredible work of RPA Newborn Care, Little Wonder gives back to the unit that saved their babies and allowed them to prosper. With the support of family and friends and in partnership with RPA staff, Little Wonder raises funds to support the unit as well as the parents/carers of the babies.

Care**

LITTLE WONDER-BIG DIFFERENCE

Little Wonder provides funds for equipment and resources to RPA's Newborn Care. So far, this has included:

- Purchase of a Humidicrib and Jaundice Meters
- Purchase of new furniture for the NICU as well as 3 libraries
- Renovation of the Expressing Room, Parents room and Nurses room

Support to families in the nurseries is equally important. This is done through:

- Gifts for families in the nurseries on key occasions throughout the year eg, Mother's Day, Father's Day, Christmas etc
- Parent to parent in-hospital support sessions

BE WONDERFUL

Gather family and friends and come along to the Little Wonder regular fundraising events. For events you are unable to attend, buy a raffle ticket online - you can still make a difference! Stay updated on Little Wonder events and projects via Facebook and website.

Do you have a talent, business or service that can be utilised? Little Wonder would love to hear from you!
