

To Whom it May Concern,

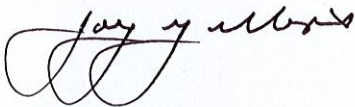

Australian Rotary Health (ARH) endorses the fundraising activities of the Rotary Club of South Bunbury (WA), and their efforts to help ARH Lift the Lid on Mental Illness through research.

By supporting the Dirt and Dust Car Rally, you will be helping the 1 in 5 Australians who suffer a mental illness every year.

100% of donations to Australian Rotary Health fund medical research at Universities and Institutions within Australia.

We appreciate your support.

Kind Regards,

Joy Gillett OAM
Chief Executive Officer
