EDUCATION

Education is a human right and should be accessible to everyone, no matter where you are born. It is unparalleled in its role in breaking the poverty cycle. Shine believes in providing opportunities for life-long learning for all the children in Otres.

WELLBEING

A healthy body and mind is very important for growth, learning and for a child to reach their full potential.

COMMUNITY

We are committed to listening to and empowering communities. Shine values the voices of everyone in their community.

SUSTAINABILITY AND INDEPENDENCE

The model we have enables communities to be self-sustaining and have agency over their own lives.
