*Floor*

We would like to invite you to join us and help us raise urgently needed funds for Mental Health and the Prevention of Youth Suicide.

**Our Target: \$50,000 Already raised \$10,000**

Mental Health and Youth suicide is a difficult subject confronting all communities and it is time we acted and did something about it.

Our Avalon Dance Stars on the Floor Committee have joined with Mental Health Foundation Australia and we are organising this exciting event for the Wyndham and the Western Suburbs of Melbourne.

We hope to raise \$50,000 so that we can work with the residents of Wyndham and the Western Suburbs in helping them with their mental health issues. All monies raised will be spent in this region.

We cannot do this without your help and support, and we ask you to join with us.

Our first practice commenced on Friday June 14th, 2019 at the Dance Worx Dance Studio at 329 Pascoe Vale Road, Essendon.

Our eight Dance Stars were sensational on their first night and were so happy and excited with their top performing ballroom dance partners.

Renowned top ballroom dancing teachers Kym and Shane Hocking have chosen the dances and routines along with the music for each couple.

We really are very privileged to have Kym and Shane take on this huge commitment.

## Our Dance Stars are:
