

# FUNDRAISING

FOR THE ORTHODOX CHRISTIAN MISSION IN FIJI, TONGA & SAMOA

The Orthodox Christian mission in the South Pacific (Fiji, Tonga and Samoa for the time being) is growing steadily under the very close eye and guidance of the Spiritual father and leader of these missions, His Eminence Metropolitan Amfilochios of New Zealand, whose canonical spiritual jurisdiction these islands belong to.

In the past we have talked extensively about the mission in Fiji and we here in South Australia have held some fundraisers specifically for the Orthodox Mission in Fiji.

However the mission has spread to the islands of Tonga and Samoa.

The mission has established: a missionary centre, an orphanage, a safehome for mothers and Churches. It offers social welfare services to the locals and we have been blessed with the ordination of a few local people who serve the faithful on all 3 islands.

However all this is ONLY made possible through the financial support of only a few missionary societies in Greece and America, together with many donations from fundraising in Australia.

We kindly ask you to support this cause, which is part of our ongoing fundraising for the mission, here in South Australia.

Help us support the Orthodox Mission of the Holy Metropolitanate of New Zealand in the islands of Fiji, Tonga and Samoa.

Fr Michael Psaromatis
