The True Cost

Who pays the
price
for our clothing?

Panel Discussions

- Food waste
- The share and sharing economy
- Managing waste
- Parenting in a consumer world
- Urban farming
- An Ecology Centre for Newcastle

Speakers

- **Jane Milburn** *Fast Fashion, Slow Clothing*. Visiting us from Brisbane, Jane will speak, host practical workshops and display garments in the upcycled fashion parade. Part of national programs: Sew It Again, Fashion Revolution, Textile Beat, Slow Clothing Project.
- **Jenny Cameron** *The Share and Sharing Economy*. Co-author of *Take Back the Economy: An ethical guide for transforming our communities*. Assoc.Prof, Geography and Environmental Studies at Uni of Newcastle.
- **Shann Turnbull** *De-growth Economy and Well-being*. Principal, International Institute for Self-Governance, Management and Investment Services
- **Samantha Cross** *Circular Economies and Waste Management*. Director, Cross Connections Consulting.

Workshops

- **Bonnie McBain** *Change-Making*
Environment lecturer and blogger at Herding the Green Chicken
- **Tricia Hogbin** *Creating time for a fair and sustainable life*
Lives close to nature on a rural property with space to grow food. Her blog, *little eco footprints*, focuses on learning to live better with less.
